Subject: NATURAL CALAMITY IN UTTARAKHAND - CONTRIBUTION OF PM'S RELIEF FUND.

Sir,

We all are shocked and aggrieved at the natural calamity that has struck Uttarakhand resulting in loss of valuable lives and property. We pray to almighty that for the peace of departed souls and giving courage to their kiths and kins, who lost their near and dear ones. While the Government of India and State Government are doing all possible within their means to provide relief to those who are badly affected by this tragedy, we in AAI request the Management to deduct one day's salary and remit the same to Prime Minister's Relief Fund for utilisation for those affected by above tragedy in Uttarakhand.

Thanking you.
